

## Help your child love Storytime! 关注以下几点，让宝宝爱上讲故事时间！

### Program guidelines for grown-ups:

- **Choose the right program.**

You know your child best. If they are coming to the program designed for their developmental stage, you will get the best outcomes.

- **We are inclusive.**

If your child has additional needs, feel free to speak with the Children's Librarian ahead of time so we can work together to accommodate them.

- **Participate!**

Model being an attentive and engaged listener for the child in your care.

- **It's ok to take a break.**

If your child is having a bad day or is too distracted for the session, please take a break and try again later. We all have those days!

- **Please wait until after the session** to enjoy your food, toys, mobile phones and adult conversations.

All of these can be distracting to other children, as well as the presenters.

### 家长须知:

- **适龄活动，效果更佳。**您最了解您的孩子。选择适合宝宝年龄阶段的活动，您将收获最好的体验。
- **更多包容，更多关爱。**如果您的孩子有特殊需求，欢迎提前与儿童图书馆员联系，让我们共同努力为宝宝创造美好体验。
- **家长参与，做好榜样。**做个专注和投入的听众，为宝宝树立榜样。
- **暂停一下，没有关系。**如果宝宝今天状态不佳，或者分心无法专注参加活动，那就休息一下吧，下次再来。
- **专注此刻，尊重他人。**请在活动结束后再享用食物、玩具，使用手机和聊天。这些都可能分散其他小朋友以及演讲者的注意力。
