

# Gifts

Once upon a date,  
On September 8th,  
When I was daydreaming at home,  
I was asked to write a poem,

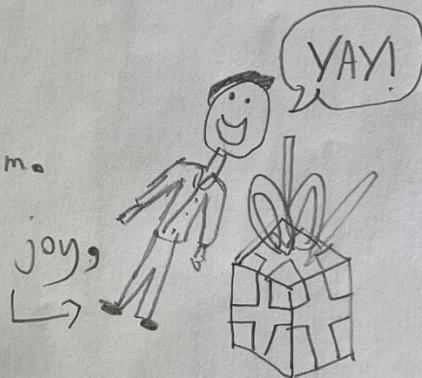

So I opened a book,  
to take a look,  
for some inspiration,  
to kindle my imagination.

But here's something unusual,  
the poem I was going to write,  
had to have a specific word,  
and that word was gift.

So here is the poem,  
I promise it won't be hohum.

People think gifts bring joy,  
gifts take away worry,

and I don't disagree.  
But the actual truth is,

gifts could be anything,  
what you like or what you don't,  
like Lego sets and delicious treats,

or even a bucket of water splashed on your head!

So you shouldn't get too excited,  
when it's Christmas or your birthday,  
because anything can happen to you, that very day!

So an easy way is,  
just choose your gifts that day!
